Title of dissertation	
Brief statement of your research question(s)	
Estimated quantity of test licenses required.*	
Estimated date(s) of testing	
Assurance that you will comply with all the provisions and restrictions	<p>I understand that I will be purchasing licenses to administer protected instrument made available through Insight Assessment. I assure that I will make provisions to guarantee the security of these instruments. I will safeguard all testing materials, administer the instruments correctly as specified in their User Manuals, and comply with all notices posted in the manual or on the Insight Assessment website. I will interpret the resulting data reports with integrity. The data will be used in accordance with the appropriate standards on the ethical use of tests of individual difference and measures collected on human subjects (see your test manual for an example of a standard guideline).</p> <p>Signature:_____</p>
Your acknowledgement and assurance of non-violation of copyright	<p>I acknowledge that all Insight Assessment test instruments, answer forms, and testing app screens are protected by US and international copyright laws and are the intellectual and scholarly property of the copyright holders. I assure that no copyright(s) will be violated. No copies will be made of the testing instruments or any of their questions, in whole or in part. Neither the tests, nor the data reports will be made available for sale to other parties. I understand that I may, however, quote material from a User Manual or the Insight Assessment public website with the appropriate citation.</p> <p>Signature:_____</p>

*Note: Each license permits 1 person to take 1 test 1 time using our e-testing platform.
